MAKEUP HAIR

I have had a passion for hair and makeup since I was a young girl and over the years I have realised how much I really love making my clients look and feel beautiful on their special day.

Whether you prefer a classical look or the latest trend, I use international products, **MAC** and **Kryolan** and local ranges **Studio** and **PMU** professional makeup and hair products to adapt a look perfectly suited to you.

My signature is my attention to detail and I have a passion for perfect eyebrows and luscious lip-gloss. I also offer temporary Lash Extensions to add those finishing touches.

I'm based in **Durban North** where I have a studio set up in my home.

Please use the links below to view my **Portfolio Photos** and recent work on my **Website** and **Face book** Page, as well as hair and makeup ideas on **Pinterest**.

If you have any questions, please feel free to contact me by email or phone.

If you would like to book your makeup/hair service, please request the booking details which I will email you. Bookings are only confirmed upon receipt of the Deposit Proof & signed Client Info Form. Booking deposits are required to secure your hair & makeup booking. The Booking Deposit is non-refundable.

Functions are booked on a "first come first served" basis, please email your confirmation proof within 2 days of receipt of booking details to prevent double bookings. Please see the prices section for the booking deposit amounts.

After your Booking Deposit has been received, we can arrange a Trial if you require.

If you prefer to have a Trial before you pay your booking deposit, you are more than welcome. Please note however that your Function date will not be confirmed until a booking deposit is received.

The Balance due is to be paid by EFT (please email the proof) a few days before or in Cash on arrival of your Function day. I will email an invoice or sms the Total due for the Function day, which will need to be confirmed by the client who agrees to be responsible for the full payment of services & any products.

TRIALS

I do recommend a Trial for Special Occasions, anywhere from a month or a week before the Function day. On the day of the Trial, I will chat to you to fully understand the look you desire for your special day.

Trials are arranged by a pre arranged appointment only and are held at my home studio in Durban North and are 45 mins to an hour each for hair or makeup, if you are having both, then 1 & ½ to 2 hours.

Come to the Trial with clean, dry hair, no makeup on and if you have already purchased any hair accessories please bring these with you so that I can show you the overall effect with your chosen Hairstyle.

Please take time before the trial to look at different styles you might like, on the internet or in magazines, to get an idea if you will be having your hair up or down on the day & the makeup look you are after. Also have a look at my Bronwyn-Louise Pinterest page for some of my favorite makeup and hair ideas. Please email these to me or have them accessible at the trial.

Remember to order any extras at the trial, i.e Makeup Touch up Kit, Hair bead Accessories, Lash Extensions, etc.

ON THE FUNCTION DAY

Everyone requiring their hair & makeup to be done must arrive with shaped eyebrows (I will do touch ups), washed, dry hair (must be roughly blow-dried) and with exfoliated, cleansed, toned & well moisturized faces with no makeup on, ready at the starting time.

Please note, once the makeup and hair is completed per person, only very light touchups will be offered if required before leaving, no redo's.
