TRIALS

I do recommend a Trial, only necessary for the bride, anywhere from a month or two or three weeks before the Wedding Day.

Please take time before the trial to look at different styles you might like, on the internet or in magazines, to get an idea if you will be having your hair up or down on the day & the makeup look you are after. Don't forget to look for bridesmaid's hair & makeup looks as well. Also have a look at my Bronwyn-Louise Pinterest page for some of my favorite makeup and hair ideas.

Trials are held at my home studio in Durban North on Saturdays by appointment. Please note: You are welcome to bring a family member or friend if you would like, but I can only accommodate a maximum of 3 people, including yourself. Trials are 45 mins to an hour each for hair or makeup, if you are having both, then 1 & ½ to 2 hours. Please arrive on time for your appointment, not early. Due to other appointments and circumstances, I can only accommodate you for the specified time slot. If a Trial is missed or Cancelled/Postponed without at least 48 hours telephonic notice, 50% of the trial total fee will be charged and added to your Wedding Day Total.

On the day of the Trial, I will chat to you to fully understand the look you desire and do your hair and makeup as for your special day. We will also discuss hair accessories to add to you and your bridesmaid's hairstyles.

Come to the Trial with clean, dry hair, no makeup on and if you have already purchased a Tiara and Veil, please bring these with you so that I can show you the overall effect with your chosen Hairstyle. Remember to bring your pictures with.

Remember to order any extras at the trial, i.e Makeup Touch up Kit, Hair bead Accessories, Lash Extensions, etc.

TIMES & TOTALS

Please make sure you ask your Photographer what time they would like you ready by on the Wedding day and if they would like you to be fully dressed in your wedding gown or just ready with your hair & makeup done. I will work out the times accordingly to ensure there is plenty of time for preparations for the bridal party for the Wedding Day.

Please forward this info to me so that after the Trial, having discussed all the desired looks for each member of your bridal party and any extras required, I can work out the times I need to Start & Finish and include this in the wedding day Invoice, which I will email you for confirmation.

ON THE WEDDING DAY

It is very important that everyone is ready at the specified Starting Time in order to be ready on time for the photographer

READY

Everyone requiring their hair & makeup to be done must be ready, that is showered / bathed and breakfast eaten with shaped eyebrows (I will do touch ups), clean, dry hair (must be roughly blow-dried) and with exfoliated, cleansed, toned & well moisturized faces with no makeup on, ready at the starting time. I will arrive to set up & be ready to start at the starting time & leave before/as the Photographer arrives. Remember to set aside your hair accessories, i.e. Tiara & Veil, etc. I will start with everyone's hair & then the makeup, ending off with the bride' makeup and insert the veil before I leave around the time the photographer arrives. Please note, once the makeup and hair is completed per person, only very light touchups will be offered before leaving, no redo's.

BRIDESMAIDS

As it is a busy day for the bridesmaids, looking after their bride, I would suggest an all up style of sorts as this can be kept neat for much longer than all down, although happy to still do whatever style you prefer for them. I also have some photos for ideas so you can all decide on the preferred styles for the day ahead of time. I would also suggest extra hair accessories / hair clips or small flowers as a lovely finishing touch to the bridesmaid's hairstyle. Possibly a colour that compliments their dress or the wedding colour scheme.

SET UP

Please set aside a spacious area for the makeup & hair to be done. An area with lots of natural light (not in direct sunlight), with a table & chair close to a double plug point and aircon or fan and mirror where possible. If you prefer, I am happy to be in a separate area from where you are dressing as to be out of the way.

FOOD & DRINKS

It is very important to eat on the day, firstly breakfast and please prepare a light early lunch (before the makeup application i.e. +/- 11am) as the Wedding day is a long day & you want to enjoy it to its full. Please also consider straws for drinks after the makeup application. Most brides don't feel like eating so light items like yogurt, fruit, muffins, toasted sandwiches etc are helpful.

PAYMENT

The Balance Due + Travel Fee is to be paid by EFT a few days before or in Cash in the morning (on arrival) of your Wedding Day. Any deductions in the number of people having their hair, makeup or nails done on the Wedding Day will be charged for in full. Any increases in number of people for hair & makeup can be fitted in after the bridal party is ready and if time allows.

TIMES

Time disappears very quickly on the day, so please make sure everyone is ready to start, at the pre-arranged time so that you can experience a relaxing, enjoyable & extra special day!

PRE. SHOOT

If you would prefer me to stay during the Photographer's pre-shoot, I charge an hourly rate and will assist with the touch-ups and insert your veil during the photographs.

ASSISTANT

If I feel that your wedding party size will require services of an assistant, extra rates will apply depending on the services needed.
